### Rabbit without a house -Brazil

1. Pick someone to be "it" (the rabbit w/o a house) and someone to be the caller.
2. Divide the others into groups of 3.
3. Each group makes a rabbit in a house by two girls holding hands (the house) and one (the rabbit) standing inside.
4. The caller yells "Find a house" and all the rabbits, including the one without a house, have to run to find another house
5. The rabbit left without a house become it.

### Crab Race -Japan

Two teams line up facing a goal line. The first player in each line gets into the upside down crab position. Faces look up, tummies are up, and feet and hands support bodies. At the starting signal, the crabs crawl head first to the goal line. Then they turn around and crawl back to where the next crab waits, already in position. When all the crabs in one row have crawled to the goal line and back, they win.
