

Spring STEM Events!

Program Name: Techoquest—Registration now open!

GS Level: Cadettes, Seniors, and Ambassadors

Location: East Carolina University, Pitt

Date: March 25, 2017

Time: 10:00 a.m. to 4:45 p.m.

Cost per Girl Scout Member: \$16

Cost per Adult Member: \$10

Activity Description: So many fascinating careers use science and technology...join us and explore what STEM careers interest you! Through four different hands-on workshops, you'll meet professional women and get a taste of what they do for a living! Enjoy a day full of discovering, creating, solving, and being tech-savvy! Adults will have the option of attending their own workshops too! Fee includes lunch on campus. Individually registered girls must attend with a registered adult.

Program Name: Animal Care—Registration now open!

GS Level: Daisies

Location: Fascinate-U, Cumberland

Date: April 1, 2017

Time: 10:00 a.m. to 12:00 p.m.

Cost per Girl Scout Member: \$10

Cost per Adult Member: \$0

Activity Description: Learn how to care for rats and snakes, have fun creating an animal flip book, and eat like a rabbit! Girl Scouts will work towards the Birth bath Award. Individually registered girls must attend with a registered adult.

Program Name: Can-do Robotics—Registration opens March 1!

GS Level: Brownies

Location: Wilmington Service Center, New Hanover

Date: April 1, 2017

Time: 2:00 p.m. to 5:00 p.m.

Cost per Girl Scout Member: \$10

Cost per Adult Member: \$0

Activity Description: Explore the world of robotics at a workshop made just for Girl Scout Brownies! With the help of LEGO WeDo kits, build an alligator that snaps its mouth shut, build an airplane with a moving propeller, discover robotics fields, and more! Individually registered girls must attend with a registered adult.

Program Name: Girl Scout Night – Becoming a Naturalist—Registration now open!

GS Level: All Girl Scouts

Location: North Carolina Museum of Natural Sciences, Wake

Date: April 13, 2017

Time: 5:30 p.m. to 7:30 p.m.

Cost per Girl Scout Member: \$11

Cost per Adult Member: \$0

Activity Description: Join the museum for an evening of fun as you search for nature knowledge during an indoor scavenger hunt. Girl Scouts will do activities inspired by the legacy Naturalist badges and will earn a fun patch by attending this activity. Individually registered girls must attend with a registered adult.

Program Name: Geocacher Overnight—Registration opens March 1!

GS Level: Juniors

Location: Museum Life and Sciences, Durham

Date: April 21–22, 2017

Time: 5:30 p.m. to 9:00 a.m.

Cost per Girl Scout Member: \$52

Cost per Adult Member: \$25

Activity Description: Geocaching is your chance to be part global explorer, part detective! Spend the evening searching for treasure chests, called "geocaches," using a GPS receiver to uncover each chest's secret hiding spot. Juniors will earn and receive the Geocacher Badge at this program! Individually registered girls must attend with an adult. Adults attending must be registered Girl Scout members and have successfully completed a criminal background check prior to the weekend.

Program Name: LEGO Robotics—Registration opens March 1!

GS Level: Daisies

Location: Museum Life and Sciences, Durham

Date: May 6, 2017

Time: 9:30 a.m. to 1:30 p.m.

Cost per Girl Scout Member: \$16

Cost per Adult Member: \$15

Activity Description: Imaginations will soar with this program as you learn new robotics skills! Daisies will love creating, tinkering, and building as we construct robots of all shapes and sizes. We'll take our creations to the next level as we use kid-friendly computer programming tools to bring our robots to life. Daisies will earn a robotics fun patch by attending the program. Before or after your 1-hour workshop, your troop can explore the Museum's exhibits. Your workshop time will be assigned and given to your troop 1 week before the program. Individually registered girls must attend with a registered adult.

Program Name: I'm an Inventor—Registration opens March 1!

GS Level: Brownies

Location: Fascinate-U, Cumberland

Date: May 13, 2017

Time: 10:00 a.m. to 12:30 p.m.

Cost per Girl Scout Member: \$10

Cost per Adult Member: \$0

Activity Description: Make your own marvelous, hi-tech music machine by inventing instruments from everyday objects. Girl Scout Brownies will work towards the Inventor badge at this program. Individually registered girls must attend with a registered adult.
